**Re: Official Information Act request – DHB Ward Capacity**

I refer to your Official Information Act request received dated 20 July 2021 requesting the following information:

I am requesting the following under the Official Information Act:

1. The total capacity of the emergency department (comparing the demand for beds at 7am to the number of beds available for patients) broken down by day from January 1, 2021 to July 19, 2021.
2. The number of days the DHB was operating at 100 per cent capacity or more across its emergency, medical, surgical and older people's health (ARHOP) wards at 7am per day, during the following time periods:
  - January 1, 2020 - December 31, 2020
  - January 1, 2021 - July 19, 2021;stating how far over 100 per cent capacity each ward was on any given day.

Response to questions 1 & 2 in tables below.

3. The highest capacity measured on any given day in the emergency, medical, surgical, and older people's health (ARHOP) wards at 7am between January 1, 2021 and July 19, 2021.

Highest 7am capacity (patients against average resourced beds) excluding day stay wards and operating rooms was on 23/04/2021 at 95%.

You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the Auckland DHB website.

Yours faithfully

  
Ailsa Claire, OBE  
Chief Executive of Te Toka Tumai (Auckland District Health Board)

**Question 1:**

Percentage of patients in the Adult Emergency Department and Children's Emergency Department at 7am against the number of resourced beds.
